

The aim of The Newark Group is to promote fellowship among the men of the parish. We meet, usually on the third Thursday of each month, in the Good Shepherd Hall at the Church of the Good Shepherd in Pyrford. Events may vary from informal dinners with guest speakers on a variety of topics, to 'away-day' visits, a golf day and social events for the parish. We expect to cover costs and, in the event of a surplus, we make modest contributions to local and global charities. Please check with the relevant committee member allocated to each event for details or tickets.

Some events could be subject to a change at the last moment and any information to hand will be provided accordingly in the best possible time. The latest information can be found on our website at www.wisleywithpyrford.org/newarkgroup.htm
